

Leadership Development Action Plan

Questions to consider	To Research and/or Commitments
1. Which conferences, panels and/or workshops do I want to attend?	
2. In what training programs do I want to participate?	
3. In which certifications do I want to invest?	
4. What books do I want to read to facilitate my leadership development?	
5. To what publications will I subscribe (and which will I let go of)?	
6. In which professional organizations do I want to join, or more actively participate?	
7. Who's on my list of people I can count on for feedback and to hold me accountable for the changes I want to make?	
8. How can I enhance my outside network to support my growth? With whom do I want to stay in better touch?	
9. Who can mentor me along this next phase of development?
